9. Financial support was given to Parishes and other organisations in supporting workers. The practice in the past of continuing to give a gift to those candidates from the Region in fulltime training for ordained ministry has continued and many parishes are generous with their gifts.

10. Loans and grants for major maintenance needs were occasionally made.

11. Two supplements of "Link" were published as inclusions in the "Southern Cross" newspaper. Our editor received several positive follow up calls demonstrating the level of acceptance and interest.

Aim

12. To **Support and Encourage Evangelism and Discipleship (SEED)** to help achieve the Diocesan Mission.

Goals

Resourcing

13. Each Parish, Area Deanery and Special Ministry Organisational Group (SMOG) has developed a strategic ministry plan by the end of 2004.

Planning

18. Each new housing development of 1,000 homes or more has an Anglican church with or without property planted before half of the intended houses are inhabited.

19. Each TAFE and University Campus in our region has at least 2-3 day per week coordinator and a weekly evangelistic bible ministry by 2006.

20. Every parish will have a youth group of at least 40 young people and a children's group of at least 60 children led by trained leaders by 2008.

21. Each ethnic and indigenous people group of 10,000 or more living in our region will have a dedicated pastor and church meeting weekly by 2010.

22. Encourage each parish, SMOG and chaplaincy to develop an additional centre of fellowship by 2004.

23. The Council has Strategies, Evaluations and consequences for these goals, affecting property, Ministry, Evangelism and Discipleship.

Resolutions Implemented

24. One of the major areas that is growing both in population and importance with the Western Region is the Rouse Hill/Kellyville Development area known as the North West Sector. The Council has developed over many years strategies to cope with this growth, discussing with DUAP, SASC, NSW Government, local clergy, shire councils, NCLS, etc. It hopes for widespread support trust and encouragement in the outworking of its plans.

25. Parish Consultations, and planning together by a cluster of parishes with common areas of concern, were implemented on a voluntary basis in order to help form 3 and 5 year strategies. Some 18 parishes have had or are currently involved in the consultative process.

Grants and Loans

26. The list of grants and loans made are included in the Annual Accounts tabled at Synod.

Other Matters
