DETAIL

Purpose

Historically wardens were authorised to sign the AFS as appointed agents on behalf of the ACPT.

Recent changes to the Environmental Planning and Assessment Act require that the ACPT must now sign the owner’s authorisation section of the AFS.

Should your parish receive and AFS from local council please email a scanned version the AFS to the Manager, Parish Property for your region for signing after you have completed all relevant details of the form.

Also accompanying the AFS should be a letter of request signed by 2 wardens (scanned email will suffice).

Please contact us if you have any queries.
