Financial Statements for the year ended 31 December 2022

**NOTES TO THE FINANCIAL STATEMENTS**

**ENTITY INFORMATION**

The parish of *parish name* is an unincorporated body established by the Synod of the Anglican Church Diocese of Sydney. It is registered with the Australian Charities and Not-for-profits Commission and is recognised as a "basic religious charity".

**SUMMARY OF ACCOUNTING POLICIES**

The accounting policies which have been adopted in the preparation of these Financial Statements (which comprise the Statement of Comprehensive Income and the Statement of Financial Position) are:

**(a) Basis of Preparation**

The Financial Statements have been drawn up as special purpose financial statements for distribution to the parishioners of the parish of *parish name*. The wardens of the parish have applied the following accounting policies in the preparation of the Financial Statements –

- (i) The Financial Statements have been prepared on the cash/accrual [*delete whichever not applicable*] basis of accounting using the historical cost convention, except as affected by the policies below.
- (ii) Apart from the standards relating to measurement the other Australian accounting standards have not been applied except as stated below.
- (iii) These policies have been consistently applied and, except where there has been a change in the accounting standards, are consistent with those of the previous year.

**(b) Revenue Recognition**

Revenue is recognised when the parish is entitled to the income and the amount can be quantified with reasonable accuracy. Generally offertories and donations are recognised when received. Revenues are recognised net of the amount of goods and services tax (GST) payable to the Australian Tax Office.

**(c) Asset valuation**

Buildings and building contents, furniture and equipment are stated at replacement value for insurance purposes. Land is shown at Valuer General's valuation. Investments are shown at fair (market) value.

**(d) Changes in the value of land and buildings and investments**

Changes in the unimproved capital value of land and the insurance replacement value of buildings and contents are shown as a revaluation in the statement of comprehensive income and are reflected in the funds section of the statement of financial position. The net change in the fair (market) value of investments is shown as a revaluation in the statement of comprehensive income and is reflected in the funds section of the statement of financial position.

**(e) Employee Benefits**

Liabilities for employee benefits in relation to wages, salaries, annual leave and sick leave represent present obligations resulting from employees' services to year end. They are measured at the amounts expected to be paid when the liability is settled. Adequate provision has also been made to cover any liability for long service leave for lay ministry staff and other support staff.

**(f) Income tax**

The Parish is a charitable institution and has been endorsed as exempt from income tax.

**(g) Goods and services tax**

Revenues, expenses and assets are recognised net of the amount of GST except where the amount of GST incurred is not recoverable from the Australian Tax Office, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

**INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT**

To the parishioners of **church name** **parish name**

**Report on the annual Financial Statements**

I have reviewed the accompanying Financial Statements of **church name** which comprise the Statement of Comprehensive Income, the Statement of Financial Position and the Notes to the Financial Statements for the year ended 31 December 2022.

I have also reviewed the Property Income Worksheet which has been prepared in accordance with the provisions of the *Property Receipts Levy Ordinance 2018*.

**Wardens' responsibility for the annual Financial Statements**

The wardens of the church/parish are responsible for the preparation and fair presentation of the Financial Statements in accordance with the *Parish Administration Ordinance 2008*. This responsibility includes establishing and maintaining internal control relevant to the preparation of the Financial Statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

**Assurance Practitioner's responsibility**

My responsibility is to express a conclusion on the Financial Statements based on my review. I conducted my review [in accordance with Standard on Review Engagements ASRE 2400 *Review of a Financial Report performed by an Assurance Practitioner Who is Not the Auditor of the Entity*,] in order to state whether, on the basis of the procedures described, anything has come to my attention that causes me to believe that the Financial Statements are not presented fairly, in all material respects, in accordance with the *Parish Administration Ordinance 2008*. [ASRE 2400 requires me to comply with the requirements of the applicable code of professional conduct of a professional accounting body.]

A review of the Financial Statements consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly I do not express an audit opinion.

**Conclusion**

Based on my review, which is not an audit, nothing has come to my attention that causes me to believe that the Financial Statements of **church name** **church name** do not give a fair view of the income and expenses of **church name** for the year ended 31 December 2022 and the assets and liabilities as at that date, in accordance with the *Parish Administration Ordinance 2008*.
