Cash and cash equivalents at beginning of the year		-	-
Cash and cash equivalents at the end of the year	-	-	
	=		

The above Statement of cash flows should be read in conjunction with the accompanying notes.

1. Purpose

The purpose of the Long Term Pooling Fund (the Fund) over the longer term (being 5-10 years or more) is to:

- preserve the real value of the investments (after distributions), and
- provide a reasonable, stable and predictable income from investments, and
- maintain a balance between the current need the underlying fund is serving and the future needs to be served.

This Fund was established pursuant to the powers granted under the *Anglican Church Property Trust Diocese of Sydney Ordinance 1965* as amended for the purpose of enabling the Anglican Church Property Trust Diocese of Sydney ("ACPT") to pool any or all trust monies held by it for investment, though subject to separate funds, and in respect of such pooled monies to average gains, losses and interests and deal with all matters and do all things incidental to such pooling.

Effective 1 January 2023 the Glebe Administration Board (GAB) became the trustee of the Fund. The trustee changed pursuant to the *Long Term Pooling Fund Ordinance 2012 Amendment Ordinance 2022.*

Since October 1996 for management purposes, the Fund has been unitised, meaning that interests in the Fund are divided into units. The price of a unit is calculated on a daily basis having regard to the value of the underlying investments in the Fund. Investments are made in the Long Term Pooling Fund by purchasing units and withdrawal of investments is by redeeming units.

The *Long Term Pooling Fund Ordinance 2012*, as amended, outlines the duties of the GAB in respect to overseeing the governance and strategic policies of the Fund.

2. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

(a) Basis of preparation

These general-purpose financial statements have been prepared for the purpose of complying with the *Long Term Pooling Fund Ordinance 2012* and the *Accounts, Audits and Annual Reports Ordinance 1995*.

The Fund is a not-for-profit entity for the purposes of preparing financial statements.

Compliance with Australian Accounting Standards – Simplified Disclosures

These financial statements comply with Australian Accounting Standards – Simplified Disclosures as issued by the Australian Accounting Standards Board.

Historical cost convention

These financial statements have been prepared under the historical cost convention as modified by the revaluation of financial assets at amortised cost

(b) Financial assets

The Fund classifies its financial assets into the following measurement categories:

- those to be measured subsequently at fair value through profit or loss, and
- those to be measured at amortised cost.

The Fund has classified financial assets based on the Fund's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at fair value through profit and loss

Financial assets that do not qualify for measurement at either amortised cost (see note 2(b)(ii) below) or FVOCI are classified as financial assets at fair value through the profit or loss (FVPL).

For assets measured at fair value, gains and losses are recorded in profit or loss in the period in which it arises.

Regular way purchases and sales of financial assets are recognised on trade date, being the date on which the Fund commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all the risks and rewards of ownership.

At initial recognition, the Fund measures a financial asset at its fair value. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

The Fund's loan to the Diocesan Cash Investment Fund (DCIF) is recognised at fair value through profit or loss. The purpose of these investments is to collect contractual cash flows that are solely payments of principal and distributions.

(ii) Financial assets at amortised cost

The Fund's assets at amortised cost are its receivables.

(c) Impairment of financial assets

The entity has two types of financial assets that are subject to the expected credit loss model:

- receivables, and
- financial assets carried at amortised cost.

While cash and cash equivalents are also subject to the impairment requirements of AASB 9, there is no identified impairment loss.

The Fund applies the AASB 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

The Fund assesses on a forward-looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Financial assets at amortised cost are considered to have low credit risk, and the identified impairment loss was immaterial. The Fund considers the financial assets are 'low credit risk' because of a low risk of default and the issuer has a strong capacity to meet its contractual cash flow obligations in the near term.

(d) Net assets attributable to unitholders

New investments are made by purchasing units, and investments are withdrawn by redeeming units. Only money being church trust property held for the purposes of the Anglican Church in the Diocese of Sydney may be invested in the Fund.

Units are redeemable at the unitholders' option and are therefore classified as financial liabilities. The units can be put back to the Fund at any time for cash equal to a proportionate share of the Fund's net asset value. The fair value of redeemable units is measured at the redemption amount that is payable (based on the redemption unit price) at the end of the reporting period if unitholders exercised their right to put the units back to the Fund.

(e) Cash and cash equivalents and cash flow statement

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

(f) Investment income

Distributions from underlying Fund's investments are recognised on an entitlement basis.

Franking credits refunded by the Australian Taxation Office are brought to account as income on an accruals basis.

(g) Expenses

All expenses are recognised in profit or loss on an accruals basis.

(h) Income tax

The GAB and individual trust funds (including the Fund) are exempt from income tax under section 50-5 of the Income Tax Assessment Act 1997.

(i) Distributions

Consistent with the Investment Objective referred to in the Investment Policy Statement, the distribution is the sum of 70% of the prior four quarters distribution plus CPI (All Groups) indexation, and 30% of 3.00% of the average ex-distribution unit price over the prior twelve quarters.

The distributions are payable at the end of each quarter and recognised as an expense in the Statement of Comprehensive Income.

(j) Receivables

Receivables may include amounts for distributions, interest and securities sold where settlement has not yet occurred. Distributions are accrued when the right to receive payment is established. Interest is accrued at the reporting date from the time of last payment.

(k) Payables

Payables include liabilities and accrued expenses owing by the Fund which are unpaid as at the end of the reporting period.

Trades are recorded on trade date, and normally settled within three business days. Purchases of securities and investments that are unsettled at reporting date are included in payables.

The distribution amount payable to unitholders as at the end of each reporting period is recognised separately in the Statement of financial position when unitholders are presently entitled to the distributable income under the Fund's Ordinance's distribution policy described in (i) above.

(I) Applications and redemptions

Unit redemption prices are determined by reference to the net assets of the Fund divided by the number of units on issue at or immediately prior to close of business each day adjusted for transaction costs.

(m) Increase/decrease in net assets attributable to unitholders

Income not distributed is included in net assets attributable to unitholders. Movements in net assets attributable to unitholders are recognised in the Statement of comprehensive income as finance costs.

(n) Goods and service tax (GST)

The Fund is a member of the Sydney Diocesan Services GST group.

Revenues, expenses, and assets are recognised net of the amount of GST, unless the GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of financial position.

The GST components of cash flows arising from operating, investing, or financing activities, which are recoverable from, or payable to the ATO, are presented as operating cash flow.

\$944,703 (2022: \$22,444) was reinvested by unitholders post financial year-end.

8. Related party transactions

The following persons held office as a member of the Trustee during part or all of the year and up to the date of this report:

Mr M Clancy Ms C Hawkins AM Mr D Wong (Retired 11 September 2023) Ms E Horton Ms R Williams (Appointed 13 February 2023) Mr G Hammond OAM (Retired 24 November 2023) Bishop M Stead Mr D Sietsma The Rev M Wormell Mr J Ng (Appointed 27 March 2023)

Key management personnel include the members of the GAB above and the two executives listed below with the greatest authority for the strategic direction and management of the entity.

Name	Position
Mr R J Wicks	Chief Executive Officer
Mr J K P Lau	Chief Financial Officer
Mr I J Kuruvilla	Head of Investments

The members of the GAB receive no remuneration. Key management personnel compensation is paid by Sydney Diocesan Services and is recovered through a cost recovery charge to the LTPF.

The following other related party transactions occurred during the year:

- i. The entity was charged a management fee of \$204,744 (2022: \$195,228) by the Sydney Diocesan Services.
- ii. At 31 December 2023 an unsecured loan was provided to the DCIF for \$17,370,688 (2022: \$8,777,993). Interest earned in respect of this loan was \$443,212 (2022: \$78,731).

9. Reconciliation of net operating income to net cash inflow from operating activities

	2023	2022
	\$	\$
Net operating profit/(loss)	13,099,052	(7,063,406)
Net (gain)/loss on financial instruments held at fair value through profit and loss	(9,103,685)	9,830,972
Distribution reinvested	(2,407,893)	(2,272,982)
Net change in receivables	(830,517)	(441,707)
Net change in payables	(22,515)	15,383
Net cash inflow/(outflow) from operating activities	734,442	68,260

10. Remuneration of auditors

The audit fee for the year is \$25,000 (2022: \$26,265).

11. Contingent liabilities and contingent assets

The members are not aware of any contingent liabilities or contingent assets as at the reporting date.

12. Events occurring after the reporting period

The members are not aware of any other events occurring after reporting date that impact on the financial statements as at 31 December 2023.

The financial statements were authorised for issue by the members on 12 June 2024.

MEMBERS' DECLARATION

The members of the Glebe Administration Board, in its capacity as the Trustee of the Long Term Pooling Fund as at 31 December 2023, declare that the financial statements and notes set out on pages 1 to 13:

- comply with Australian Accounting Standards Simplified Disclosures and other mandatory (a) professional reporting requirements:
- comply with the Long Term Pooling Fund Ordinance 2012 and the Accounts, Audits, and Annual Reports (b) Ordinance 1995; and
- give a true and fair view of the Fund's financial position as at 31 December 2023 and of its performance, (c) as represented by the results of its operations and its cash flows, for the year ended on that date.

In the members' opinion there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the members.

Independent Auditor's Report

To the members of the Glebe Administration Board as Trustee of the Long Term Pooling Fund

Report on the audit of the financial report

Opinion

We have audited the accompanying financial report of the Glebe Administration Board as Trustee of the Long Term Pooling Fund (the "Fund"), which comprises the statement of financial position as at 31 December 2023, the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the members' declaration.

In our opinion, the financial report of the Long Term Pooling Fund has been prepared in accordance with *Long Term Pooling Fund Ordinance 2012*, and the *Accounts, Audits and Annual Reports Ordinance 1995*, including:

- 1. giving a true and fair view of the Fund's financial position as at 31 December 2023 and of its financial performance for the year then ended; and
- 2. complying with Australian Accounting Standards Simplified Disclosures.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

www.grantthornton.com.au ACN-130 913 594

Grant Thornton Audit Pty Ltd ACN 130 913 594 a subsidiary or related entity of Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389. 'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Limited is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389 and its Australian subsidiaries and related entities. Liability limited by a scheme approved under Professional Standards Legislation.

Responsibilities of the members for the financial report

The Trustee is responsible for the preparation of the financial report that gives a true and fair view in accordance with the requirements of Australian Accounting Standards – Simplified Disclosures, the *Long Term Pooling Fund Ordinance 2012*, and the *Accounts, Audits and Annual Reports Ordinance 1995*, and for such internal control as the Trustee determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the members are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustee.
- Conclude on the appropriateness of the Trustee's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
 cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material
 uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
 financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on
 the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may
 cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
