

Manager, Urban Renewal

Ideal position for someone who has experience in property development, ready to play a key role in delivering our urban renewal initiatives.

About Us

Here at the Sydney Anglican Offices, we are committed to supporting the building of God's Kingdom through the provision of a range of valued services to organisations and churches in the Anglican Church Diocese of Sydney.

The Manager, Urban Renewal position sits within Sydney Anglican Property (SAP), which was formed on 1 January 2024 to provide a unified and coordinated approach to all diocesan property matters. This includes day-to-day parish building and property issues, strategic planning and strategy, construction of new church developments, urban renewal redevelopment, the management of heritage items and more. SAP brings together the staff and functions previously spread across the Anglican Church Growth Corporation, the Anglican Church Property Trust, New Churches for New Communities and St Andrew's House Corporation.

As a result, SAP is now a one-stop shop for property-related matters across the whole Diocese, ensuring parishes are provided with better, more coordinated services, while retaining an emphasis on innovative projects that support the work of the gospel in Greater Sydney.

About the role

The Strategy and Development Team within Sydney Anglican Property (SAP) is seeking a skilled and experienced Manager to lead our Urban Renewal initiatives. In this role, you will be responsible for:

- lead and manage project-based teams to drive the delivery of urban renewal initiatives
- working closely with our program partners, Sustainable Development Group, to contribute to the efficient and effective delivery of the Urban Renewal Pilot Program.
- supporting the ongoing development and implementation of SAP's strategic business plan.
