KEY POINTS:

1. Further to our Circular dated 25 October 2018 we advise that the Standing Committee has at its meeting of 18 February 2019 resolved to requests the ACPT to cease subsidies of public liability insurance premium for hirers of church premises. The ACPT Board decided that the Standing Committee's decision will be implemented from 1 April 2019. The last subsidy will apply to one off hirers for hirers of church premises on 31 March 2019.
2. In circumstances where the one off hirers for non-parish authorised and organised activities are unable to obtain public liability insurance cover the ACPT has maintained arrangement with Ansvar Insurance (Ansvar) whereby Ansvar will continue to offer public liability insurance cover. Potential hirers may continue to apply online for public liability insurance cover through the Ansvar link - https://nfpib.com.au/nfp_quote/index.php/hallhire/process/ANGLICAN
