Assistant Ministers and Lay Ministers with 7 or more years experience	5,359

Travelling Allowances/Benefits

7. On the recommendation of the Car Board, the diocesan scale for the travelling allowance to be paid to ministers, assistant ministers and lay ministers for 1997 is calculated in accordance with the following scale -

A fixed component of \$7,116 per annum to cover depreciation, registration, insurance etc plus a reimbursement at the rate of \$140 for every 1,000 kilometres travelled by the person concerned on behalf of the church or organisation which he or she serves.

8. Travel benefits may be provided through a ministerial expense account in lieu of a travel allowance in accordance with the guidelines published by the Standing Committee in the Stipends Circular.

Remuneration for Occasional Services

9. The recommended rates for clergy who take occasional services in 1997 are -

	\$
For 1 Service	55
For 2 or More Services in Half a Day	70
For a Whole Day	100

10. The following guidelines also apply in relation to remuneration for occasional services -

- (a) If the total return journey of the person taking the occasional service is 75 kilometres or less, a travelling allowance of 60 cents per kilometre must be paid. If further kilometres are travelled, the travel allowance must be negotiated.
- (b) Meals should be provided if necessary.
- (c) As pension benefits may be reduced according to other income received, the recommended rates are open to negotiation.
- (d) Where a minister is invited to take, or assist in, services in a church outside their parochial unit, any payment for services should be made to the parochial unit to which the minister is licensed, rather than to the minister.

Acting Ministers and Locum Tenens

11. The recommended daily rate for remuneration of acting ministers and locum tenens is \$100 for 1997. In addition, an adequate amount to reimburse for travelling costs must be paid.

Part-Time Pastoral Workers

12. The Standing Committee has approved the following principles which apply for part-time workers who are remunerated for their services -

- (a) Subject to any relevant award, the worker should be paid at the rate of \$100 per day.
- (b) The worker should be paid a travelling allowance at the rate of 60 cents per kilometre for kilometres travelled in performing their duties.
- (c) Other allowances, such as housing, should be provided in appropriate circumstances.

Catechists

13. The recommended assistance for catechists for 1997 is -

	\$ pa
Full Day only	3,935
One and one half days	4,410

14. The following guidelines also apply in relation to the remuneration of catechists -

- (a) Transport costs (whether private vehicle or public) should be paid by the parochial unit. Where extensive travel is involved consideration should be given to paying for the travel time.
- (b) If a catechist serves for a half day in addition to a full day, account should be taken of the additional time and cost in travelling and care taken to ensure that the catechist is not disadvantaged by the additional expense.

- (c) Appropriate arrangements should be made to ensure catechists are provided with appropriate hospitality. For example, appropriate breaks should be provided especially in a long working day.
- (d) Preparation time adds to the total time incurred in service for the parochial unit and should be allowed for when the amount of payment is considered.
- (e) Where it is necessary to determine a daily rate for the payment of a catechist, this rate should be agreed in advance by the parochial unit and the catechist. The daily rate could be determined by dividing an agreed annual rate by the number of agreed working days.
