Ministry Strategies

5. At each meeting of the Council, substantial discussion has taken place on the Diocesan Mission and its implications for churches and ministries in the South Sydney Region.

6. Discussion of ministry strategies during the year: the Council's focus of attention in 2003 continued on the two church planting projects, at Green Square and Pyrmont. This is the culmination of much prayerful planning and we are delighted at the progress being made by the able staff of both churches.

7. The Council also received reports and visits from the Rev Howard Dillon, CEO of Anglicare, about Anglicare's ministry in the Diocese and also from Mr Hovel Hovanesian and Mr Greg Nelson giving a presentation on the Mission Property Committee report given to Synod.
