

# Parking for Synod

Parking is available across Oran Park on the day but you might find it useful to use one of the spots that we have identified below:

P1 and P2 are in the council carpark which is just across the vacant block from Oran Park Anglican College where Synod will be held. Entry via Dairy or Holstein Streets.

The other parking is available around the oval (P3) or at NewLife Anglican itself (P4) - this is accessible via Seton Street or Marcus Loane Way. There is limited parking (P5) at the College for those only attending Synod in the afternoon.
