

UNDERSTANDING YOUR REMUNERATION AND RELATED BENEFITS

A GUIDE FOR PARISH CLERGY

SDS CLERGY
SERVICES

A Message from the Archbishop

Most of us are quite interested in things to do with our remuneration and related benefits! So it is good that this guide has been produced by SDS ClergyServices to help you in your understanding of the various documents that are relevant, but often neither well-known nor understood. I commend it to you.

SDS ClergyServices is a unit of the Sydney Diocesan Secretariat that assists our bishops and archdeacons in explaining to parish clergy and local churches the information about these matters. In addition, it administers for the Synod the components of clergy remuneration and benefits that are managed centrally (such as handling the payment of superannuation and long service leave provisions.)

If you have any comments or questions about your remuneration or benefits, please do not hesitate to contact your bishop or archdeacon or SDS ClergyServices.
